HOUSING COUNSELOR INFORMATION - If you would like counseling or assistance, you can contact the U.S. Department of Housing and Urban Development (HUD): For a list of homeownership counselors or counseling organizations in your area, go to www.hud.gov/offices/hsg/sfh/hcc/hcs.cfm or call 800-569-4287. Information is also available on our website at www.guildmortgage.com/hardship.

LATE PAYMENTS / RETURNED PAYMENTS: If your payment is late, please contact our Loan Counseling Dept. at 1-800-365-4884. A payment received more than 15 days after the due date may incur a late charge. The late charge is based on a percentage (stated on your mortgage, deed of trust or note) of your monthly payment. If your payment is returned for any reason, such as non-sufficient funds, you may be charged $15.00 for a returned item fee.

ESCROW ACCOUNT INFORMATION: In addition to the monthly principal and interest due, your loan may require the collection of funds for an escrow account (also referred to as impound or trust account). These funds are for real estate taxes, assessments, fire and other hazard insurance premiums, mortgage insurance premiums, and for any other charges. If your payment includes an escrow amount, it is analyzed annually in order to ensure that sufficient funds are available to pay these items when they are due. These amounts may vary from year to year, and your escrow payments are adjusted for this.

SUPPLEMENTAL PROPERTY TAX / HAZARD INSURANCE INFORMATION: If you have an escrow account item for taxes, you may send revised, corrected or supplemental tax bills to the property tax address above, Attn: TAX DEPARTMENT, 10 business days before the delinquent date. If we are not given sufficient time to pay your taxes, any penalty is charged to your escrow account. If your property has a Supplemental Tax bill, it is sent directly to the owner of record from the tax authority. If you choose to send the bill to Guild for payment, you must comply with the deadlines stated above. It is your responsibility to review your Loan Activity Statement or contact our Customer Service Department to verify payment of the bill from your escrow account. Because of the uncertainty of the Supplemental Tax bill, a shortage may occur in your escrow account. Send all hazard insurance premium renewals or substitutions to the insurance address above, Attn: INSURANCE DEPARTMENT, 20 days prior to the expiration date of your existing policy to avoid any lapse in coverage.

IMPORTANT 2025 TAX RETURN INFORMATION - SUBSTITUTE IRS FORM 1098

INSTRUCTIONS FOR PAYER/BORROWER

A person (including a financial institution, a governmental unit, and a cooperative housing corporation) who is engaged in a trade or business and, in the course of such trade or business, received from you at least $600 of mortgage interest (including certain points) on any one mortgage in the calendar year must furnish this statement to you.

If you received this statement as the payer of record on a mortgage on which there are other borrowers, furnish each of the other borrowers with information about the proper distribution of amounts reported on this form. Each borrower is entitled to deduct only the amount each borrower paid and points paid by the seller that represent each borrower's share of the amount allowable as a deduction. Each borrower may have to include in income a share of any amount reported in box 4.

If your mortgage payments were subsidized by a government agency, you may not be able to deduct the amount of the subsidy. See the instructions for Schedule A, C, or E (Form 1040) for how to report the mortgage interest. Also, for more information, see Pub. 936 and Pub. 535.

Payer's/Borrower's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (SSN, ITIN, ATIN, or EIN). However, the issuer has reported your complete TIN to the IRS.

Account Number. May show an account or other unique number the lender has assigned to distinguish your account.

Box 1. Shows the mortgage interest received by the recipient/lender during the year. This amount includes interest on any obligation secured by real property, including a mortgage, home equity loan or, line of credit. This amount does not include points, government subsidy payments, or seller payments on a "buydown" mortgage. Such amounts are deductible by you only in certain circumstances.
:

If you prepaid interest in in the calendar year that accrued in full by January 15, of the subsequent year, this prepaid interest may be included in box 1. However, you cannot deduct the prepaid amount in the calendar year paid even though it may be included in box 1.

If you hold a mortgage credit certificate and can claim the mortgage interest credit, see Form 8396. If the interest was paid on a mortgage, home equity loan or line of credit secured by a qualified residence, you can only deduct the interest paid on acquisition indebtedness, and you may be subject to a deduction limitation.

Box 2. Shows the outstanding mortgage principal on the mortgage as of January 1 of the calendar year. If the mortgage originated in the calendar year, shows the mortgage principal as of the date of origination. If the receipient/lender acquired the loan in the calendar year, shows the mortgage principal as of the date of the acquisition

Box 3. Shows the date of the mortgage origination.

Box 4. Do not deduct this amount. It is a refund (or credit) for overpayment(s) of interest you made in a prior year or years. If you itemized deductions in the year(s) you paid the interest, you may have to include part or all of the box 4 amount on the "Other income" line of your calendar year Schedule 1 (Form 1040). No adjustment to your prior year(s) tax return(s) is necessary. For more information, see Pub. 936 and Itemized Deduction Recoveries in Pub. 525.

Box 5. If an amount is reported in this box, it may qualify to be treated as deductible mortgage interest. See the calendar year Schedule A (Form 1040) instructions and Pub. 936.

Box 6. Not all points are reportable to you. Box 6 shows points you or the seller paid this year for the purchase of your principal residence that are required to be reported to you. Generally, these points are fully deductible in the year paid, but you must subtract seller-paid points from the basis of your residence. Other points not reported in box 6 may also be deductible. See Pub. 936 to figure the amount you can deduct.

Box 7. If the address of the property securing the mortgage is the same as the payer's/borrower's, either the box has been checked, or box 8 has been completed.

Box 8. This is the address or description of the property securing the mortgage.

Box 9. If more than one property secures the loan, shows the number of properties securing the mortgage. If only one property secures the loan, this box may be blank.

Box 10. The interest recipient may use this box to give you other information, such as real estate taxes, or insurance paid from escrow.

Box 11. If the receipient/lender acquired the mortgage in the calendar year, shows the date of acquisition.

IMPORTANT 2025 TAX RETURN INFORMATION - SUBSTITUTE IRS FORM 1099-INT

INSTRUCTIONS FOR RECIPIENT

The information provided may be different for covered and noncovered securities. For a description of covered securities, see the instructions for Form 8949. For a taxable covered security acquired at a premium, unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize your premium under section 171, or for a tax-exempt covered security acquired at a premium, your payer may report either (1) a net amount of interest that reflects the offset of the amount of interest paid to you by the amount of premium amortization allocable to the payment(s), or (2) a gross amount for both the interest paid to you and the premium amortization allocable to the payment(s). If you did notify your payer that you did not want to amortize the premium on a taxable covered security, then your payer will only report the gross amount of interest paid to you. For a noncovered security acquired at a premium, your payer is only required to report the gross amount of interest paid to you

Recipient's identification number (TIN). For your protection, this form may show only the last four digits of your TIN (social security number) (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN) or employer identification number (EIN). However, the issuer has reported your complete TIN to the IRS.

These amounts were treated as paid to you during the calendar year on the credit allowance dates (March 15, June 15, September 15, and December 15). For more information, see Form 8912. See the instructions above for a covered security acquired at a premium.

Box 2. Shows interest or principal forfeited because of early withdrawal of time savings. You may deduct this amount to figure your adjusted gross income on your income tax return. See the instructions for Form 1040 to see where to take the deduction.
